

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vladimir Kunin
DOCKET NO.: 12-31117.001-R-1
PARCEL NO.: 03-10-406-004-0000

The parties of record before the Property Tax Appeal Board are Vladimir Kunin, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,550
IMPR.: \$12,550
TOTAL: \$15,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of frame construction with 1,022 square feet of living area. The property has a 6,000 square foot site and is located in Wheeling Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on April 22, 2010 for \$120,000. This evidence included the settlement statement. The appellant's pleadings regarding Section IV-Recent Sale Data confirmed the closing date, sale price, the parties to the transaction were not related, and the subject was advertised for sale on the open market with a realtor.

In further support of the market value argument the appellant submitted an appraisal estimating the subject property had a market value of \$120,000 as of January 23, 2010. Based on this

evidence, the appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Real Estate Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,100. The subject's assessment reflects a market value of \$151,000 or \$147.74 per square foot of living area, including land using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted a grid listing four sales comparables. These properties sold from February 2011 to September 2011 for prices ranging from \$159.79 to \$236.86 per square foot of living area, including land. In addition, the board of review submitted a brief stating that the subject's sale was not at fair market value due to the deed trail confirming that a *lis pendens* lien was placed on the subject on August 26, 2009 and remained on the property until after its sale on or about April 22, 2010 and that the subject was granted/conveyed via a short sale. In support of the foreclosure sale, the board of review submitted printouts from the Cook County Recorder of Deeds.

In written rebuttal, the appellant's attorney distinguished the board of review's evidence and argued that the sale of the subject was an arm's length transaction. The appellant also argued that the board of review has not provided any evidence that the subject's sale price was not reflective of the market value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in August 2010 for \$120,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment. The Board finds that the mere assertion that the subject's sale was not at market solely because it is a compulsory sale is accorded no weight without evidence supporting that assertion.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the board of review's comparables set the range of market value for the subject. The appellant did not submit any comparables. The board of review's comparables sold from February 2011 to September 2011 for prices ranging from \$159.79 to \$236.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$117.42 per square foot of living area, including land, which is below the range established by the best comparable sales in this record.

Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant did not submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
