

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Renata & Thomas Koleczek
DOCKET NO.: 12-31148.001-R-1
PARCEL NO.: 13-10-309-059-0000

The parties of record before the Property Tax Appeal Board are Renata & Thomas Koleczek, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,989
IMPR.: \$30,864
TOTAL: \$35,853

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 98-year-old, two-story dwelling of frame construction with 2,825 square feet of living area. Features of the home include a partial basement, central air conditioning and a two-car garage. The property has a 4,536 square foot site and is located in Jefferson Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal

estimating the subject property had a market value of \$370,000 as of May 12, 2011. In addition, the appellant submitted four equity comparables ranging in improvement assessment between \$8.73 and \$13.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,545. The subject has an improvement assessment of \$34,556 or \$12.23 per square foot of living area. The subject's assessment reflects a market value of \$408,101 or \$144.46 per square foot of living area, including land, when applying the 2012 three year median level of assessments for class 2 property of 9.69% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each property.

At hearing, the appellant argued that her house is the only house in the area that received an increase in assessment. In support of this contention, the appellant referred to previously submitted printouts from the Cook County Assessor's Office website of properties on the same block as the subject.

The board of review argued that the appellant's own equity comparables support the current assessment. In addition, the board of review argued that the appellant's comparables are a different classification than the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$370,000 as of the assessment date at issue. Since market value has been established the 2012 three year median level of assessment for class 2 property of 9.69% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
