

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ellen Letten
DOCKET NO.: 12-31298.001-C-1
PARCEL NO.: 17-08-212-009-0000

The parties of record before the Property Tax Appeal Board are Ellen Letten, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,537
IMPR.: \$ 9,713
TOTAL: \$ 16,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building of masonry construction with 549 square feet of building area. The building is 12 years old. The property has a 17,434 square foot site, and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 5-97 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$65,000 as of January 12, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,360. The subject's assessment reflects a market value of

\$89,440, or \$162.91 per square foot of building area, including land, when applying the 2012 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 25.00%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales from the CoStar Comps Service.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight, or, in the alternative, that the board of review's comparables were not similar to the subject for various reasons.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$65,000 as of the assessment date at issue. Since market value has been established the 2012 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 25.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
