

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tomasz Wojtowicz  
DOCKET NO.: 12-32010.001-R-1  
PARCEL NO.: 13-08-305-036-0000

The parties of record before the Property Tax Appeal Board are Tomasz Wojtowicz, the appellant(s), by attorney Ellen G. Berkshire, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,720  
**IMPR.:** \$32,935  
**TOTAL:** \$36,655

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 2,912 square feet of living area. The dwelling was constructed in 1923. Features of the home include a full finished basement as an apartment and a three-car garage. The property has a 3,720 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 14, 2010 for a price of \$180,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,655. The subject's assessment reflects a market value of \$378,277 or \$129.90 per square foot of living area, land included, when using the 2012 three year average median level of assessments for class 2 property of 9.69% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from September 2010 to December 2011 for prices ranging from \$280,000 to \$385,000 or from \$90.93 to \$138.51 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be comparable sale #3 submitted by the board of review. This comparable was similar to the subject in location, style, features and land area. This property also sold proximate in time to the assessment date at issue. This comparable sold for \$280,000 or \$133.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$129.90 per square foot of living area, including land, which is below the best comparable sale in this record. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue and because the period of advertisement on the open market was not disclosed, which calls into question the arm's length nature of the transaction. The Board also finds all remaining sales were too remote in time to be indicative of market value for a 2012 assessment appeal. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
