

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3539 N. Kenton LLC  
DOCKET NO.: 12-32058.001-I-1 through 12-32058.004-I-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 3539 N. Kenton LLC, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
12-32058.001-I-1	13-22-304-011-0000	7,678	16,585	\$24,263
12-32058.002-I-1	13-22-304-012-0000	7,678	16,585	\$24,263
12-32058.003-I-1	13-22-304-013-0000	7,678	16,220	\$23,898
12-32058.004-I-1	13-22-304-014-0000	7,678	18,649	\$26,327

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property contains a 66 year-old, one-story industrial building of masonry construction with 10,422 square feet of building area. The property has a 12,600 square foot site and is located in Jefferson Township, Cook County. The property is a Class 5-93 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal using the income and sales comparison approaches. The appraisal estimated the subject property had a reconciled market value of \$395,000 as of January 1, 2012. The appellant requested a total assessment reduction to \$98,750 when applying the

2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$156,327. The subject's assessment reflects a market value of \$625,308, or \$60.00 per square foot of living area including land, when applying the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on six unadjusted suggested sales comparables and on the November 2008 sale of the subject for the price of \$575,000, or \$55.17 square feet of building area including land.

In rebuttal, the appellant argued that the evidence submitted by the board of review should be given diminished weight because it relied on the 2008 sale of the subject, which was not proximate enough in time to be relevant. The appellant reaffirmed the request for an assessment reduction.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$395,000 as of the assessment date at issue. Since market value has been established, the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
