

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Brough
DOCKET NO.: 12-32099.001-C-1 through 12-32099.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Mike Brough, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-32099.001-C-1	16-03-400-005-0000	7,777	2,223	\$10,000
12-32099.002-C-1	16-03-400-006-0000	7,777	2,223	\$10,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 73 year-old, one-story commercial warehouse building of masonry construction containing 7,425 square feet of building area. The property has a 7,542 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a Class 5-93 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on April 11, 2012 for a price of \$80,000. The appellant also submitted a real estate contract, a title commitment, real estate transfer tax declarations, a closing statement, an escrow trust disbursement statement, a Cook County Recorder of Deeds print-out disclosing the recording of the transaction, a Trustee's Deed, and five black-and-white photographs of the subject. The appellant did not submit information in Section IV – Recent Sale Data of the Residential Appeal. Based on this evidence,

the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,166. The subject's assessment reflects a market value of \$236,664 or \$31.87 per square foot of living area when applying the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on five unadjusted suggested comparable sales.

In rebuttal, the appellant argued that the comparables submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics and were based on raw, unadjusted sales data. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2012 for a price of \$80,000. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant submitted a copy of the sales contract, the closing statement, the PTAX-203 Illinois Real Estate Transfer Declaration, an escrow trust disbursement statement, a Cook County Recorder of Deeds print-out disclosing the recording of the transaction, and a Trustee's Deed. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$80,000 as of January 1, 2012 and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
