

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Garth Davies
DOCKET NO.: 12-32142.001-I-1
PARCEL NO.: 13-22-122-052-0000

The parties of record before the Property Tax Appeal Board are Garth Davies, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 87,519
IMPR.: \$162,481
TOTAL: \$250,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains a 16 year-old, one-story industrial building of masonry construction with 53,500 square feet of building area. The building is utilized as a warehouse. Features of the building include finished office space, four interior loading docks and three drive-in doors. The subject property also includes two smaller buildings used for storage. The property has a 53,858 square foot site and is located in Jefferson Township, Cook County. The property is a Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal based on the income capitalization and sales comparison approaches. The appraisal estimated the subject property had a reconciled market value of \$1,000,000 as of January 1, 2012. The appraiser opined that the two smaller buildings did not

contribute to the market value of the subject. The appellant requested a total assessment reduction to \$250,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$300,935. The subject's assessment reflects a market value of \$1,203,740 when applying the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on six unadjusted suggested sales comparables.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$1,000,000 as of the assessment date at issue. Since market value has been established, the 2012 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
