

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Habitat Co. D/B/A Long Grove House
DOCKET NO.: 12-32186.001-R-2
PARCEL NO.: 17-22-313-009-0000

The parties of record before the Property Tax Appeal Board are Habitat Co. D/B/A Long Grove House, the appellant(s), by attorney Edward M. Burke, of Klafter & Burke in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$317,262
IMPR.: \$1,292,238
TOTAL: \$1,609,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of 29-story, 448 unit apartment building situated on a 126,905 square foot site. The property is a class 3-91 multi-family property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance") and is located in Chicago, South Chicago Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$16,095,000 as of January 1, 2012. The appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Real Property Classification Code.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property has a total assessment of \$1,828,310 was disclosed. The subject's assessment reflects a

market value of \$18,283,100 when applying the level of assessment of 10% for class 3-91 property under the Cook County Real Property Assessment Classification Ordinance. In support of the assessment, the board of review submitted five CoStar sale comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a total market value of \$18,283,100, which is above the best evidence of market value in the record. The Board finds the subject property's had a total market value of \$16,095,000 as of the assessment date at issue. Since market value has been established, the level of assessment for class 3-91 properties of 10.00% as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
