

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 2221 W. Monroe Condo Association
DOCKET NO.: 12-32197.001-R-1 through 12-32197.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 2221 W. Monroe Condo Association, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
12-32197.001-R-1	17-18-108-064-1001	3,244	2,957	\$6,201
12-32197.002-R-1	17-18-108-064-1002	4,300	3,920	\$8,220

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two condominium units with a combined 100% ownership interest in the common elements. The property is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal for Unit#1. Unit #1 was appraised at \$66,000 as of April 17, 2012. Unit #1's percentage of ownership is 43% in the subject building. In further support, the appellant also submitted the settlement statement and warranty deed confirming the sale of Unit #1 in May 24, 2012 for \$64,000. Lastly, the appellant also submitted three sale comparables which sold from January 2012 to April 2012 for prices ranging from \$60,000 to \$70,000. Appellant requested that the Board apply the 2012 median level of assessment of 9.69% as determined by

the Illinois Department of Revenue. Based upon this evidence, the appellant's attorney requests that the subject's combined/total market value be \$130,227.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,182. The subject's assessment reflects a market value of \$259,876 when using the 2012 median level of assessment of 9.69% as determined by the Illinois Department of Revenue.

In support of the assessment, the board of review submitted an analysis prepared by Dan Michaelides, an analyst with the Cook County Board of Review. He indicated the total consideration for the sale of Unit #1 in the subject's condominium in 2007 was \$175,000. The analyst deducted \$3,500 or 2% of the total sales prices from the total consideration to account for personal property to arrive at a total adjusted consideration of \$171,500. Dividing the total adjusted consideration by the percentage of interest of ownership in the condominium for the unit that sold of 43% indicated a full value for the condominium property of \$398,837. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of the subject's market value to be the 2012 sale of Unit #1 submitted by the appellant. The Board shall take the Unit #1's sale price, divided by the unit's percentage of ownership, and multiply the result by the subject's percentage of ownership to calculate each unit's market value. Personal property was not deducted from this amount, as neither party submitted numerical evidence that personal property was included in the values. The subject's total assessment reflects a market value of \$259,876 which is above the best evidence of market value in the record. The Board finds the subject property had a total market value of \$148,837 as of the assessment date at issue. Since market value has been established, the 2012 median level of assessment of 9.69% as determined by the Illinois Department of Revenue shall apply. 86 Ill. Admin.Code §1910.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
