

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Nixon
DOCKET NO.: 12-32580.001-R-1
PARCEL NO.: 32-06-103-005-0000

The parties of record before the Property Tax Appeal Board are Ron Nixon, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,547
IMPR.: \$7,453
TOTAL: \$10,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and part two-story mixed-use building of masonry construction with 3,490 square feet of living area. The dwelling was constructed in 1902 and 1960. The property has a 3,775 square foot site and is located in Homewood, Bloom Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$100,000 as of January 1, 2012. Appellant requested that the Board apply the 2012 level of assessment for class 2 properties of 10% as determined by the Cook County Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,445. The subject's assessment reflects a market value of

\$234,450 or \$67,18 per square foot of living area, land included, when using the 2012 level of assessment for class 2 properties of 10% as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted three equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$234,450, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$100,000 as of the assessment date at issue. Since market value has been established, the 2012 level of assessment for class 2 properties of 10% as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
