

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Goldberg  
DOCKET NO.: 12-32905.001-R-1  
PARCEL NO.: 04-25-401-023-0000

The parties of record before the Property Tax Appeal Board are Andrew Goldberg, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 13,280  
**IMPR.:** \$ 92,720  
**TOTAL:** \$106,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 5,900 square feet of living area. It is four years old. Features of the home include a full basement, central air conditioning, three fireplaces and a three-car garage. The property has a 14,756 square foot site and is located in Northfield Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 17, 2011 for a price of \$1,060,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,358. The subject's assessment reflects a market value of \$1,233,580 or \$209.08 per square foot of living area, land included, when using the 2012 level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review also confirmed the sale of the subject in November 2011 for a price of \$1,060,000.

In written rebuttal, the appellant stated that the board of review confirmed the subject's sale.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted

The Board finds the best evidence of market value to be the purchase of the subject property on November 17, 2011 for a price of \$1,060,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, and the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the settlement statement. In addition, the board of review confirmed the subject's sale. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$1,060,000 as of January 1, 2012. Since market value has been determined the 2012 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
