

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Holmstrom III  
DOCKET NO.: 12-33607.001-R-1  
PARCEL NO.: 14-33-206-022-0000

The parties of record before the Property Tax Appeal Board are John Holmstrom III, the appellant(s), by attorney Chris D. Sarris, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 10,465  
**IMPR.:** \$ 55,985  
**TOTAL:** \$ 66,450

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a three-story dwelling of masonry construction with 2,658 square feet of living area. The dwelling is 124 years old. Features of the home include a full unfinished basement. The property has a 1,495 square foot site, and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four sale comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,748. The subject property has an improvement assessment of \$64,283, or \$24.18 per square foot of living area. The subject's assessment reflects a market value of \$747,480, or \$281.22 per square foot of living area, including land, when applying the 2012 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In rebuttal, the appellant argued that the board of review's comparables were not similar to the subject for various reasons.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant comparables #1, #2, and #4. These comparables sold for prices ranging from \$245.83 to \$260.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$281.22 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate, by a preponderance of the evidence, that the subject is overvalued. Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
