

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Jozik
DOCKET NO.: 12-35683.001-R-1
PARCEL NO.: 15-07-206-009-0000

The parties of record before the Property Tax Appeal Board are Michael Jozik, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,493
IMPR.: \$6,207
TOTAL: \$8,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 59 year-old, one-story dwelling of masonry construction containing 913 square feet of living area. Features of the home include a full basement finished with a recreation room, central air conditioning and a one-car garage. The property has a 6,500 square foot site located in Proviso Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance. There is no evidence in the record whether the subject was owner-occupied.

The appellant requested the Board to accept the instant appeal as a direct appeal from the Board's December 23, 2016 decision to reduce the subject's assessment in docket #11-34436.001-R-1. In support of this request, the appellant attached a copy of that decision and a letter dated January 19, 2017 requesting a direct appeal. The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on

seven suggested comparable sales and adjustment information. The appellant requested a total assessment reduction to \$8,390.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,598. The subject's assessment reflects a market value of \$135,980, or \$148.94 per square foot of living area including land, when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant filed a timely direct appeal request. The Board further finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, gives them no weight. However, the Board may consider the raw, unadjusted sale data. The Board finds the best evidence of market value to be the appellant's comparable sales #2, #4 and #7. These comparables sold for prices ranging from \$59.05 to \$100.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$148.94 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
