

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Cox
DOCKET NO.: 12-35864.001-R-1
PARCEL NO.: 14-32-226-036-0000

The parties of record before the Property Tax Appeal Board are Robert Cox, the appellant, by attorney Terrence J. Griffin, of Eugene L. Griffin & Associates, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,750
IMPR.: \$56,250
TOTAL: \$93,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part three-story mixed-use building of masonry construction with 8,246 square feet of building area.¹ The building is 129 years old. Features of the building include a partial basement that is unfinished, central air conditioning, two fireplaces and a three-car garage. The property has a 5,250 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-12 mixed-use property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a retrospective appraisal estimating the subject property had a market value of \$930,000 as of January 1, 2012.

¹ The parties differ as to the size of the subject's improvements; however, the Board finds the discrepancy will not impact the Board's decision for this appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,018. The subject's assessment reflects a market value of \$1,300,180 or \$157.67 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties to demonstrate that the subject is being assessed uniformly.

Under rebuttal, the appellant reiterated the request that the original appeal form be revised to reflect a requested assessed value of \$93,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$930,000 as of January 1, 2012. The subject's assessment reflects a market value of \$1,300,180 or \$157.67 per square foot of building area, including land, which is above the appraised value. The Board gave less weight to the equity grid analysis submitted by the board of review as this evidence is not responsive to the overvaluation argument brought by the appellant. Based on this evidence the Board finds a reduction in the subject's assessment is justified to reflect the appraised value.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
