

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Leeds
DOCKET NO.: 12-35952.001-R-1
PARCEL NO.: 11-18-101-028-0000

The parties of record before the Property Tax Appeal Board are Kevin Leeds, the appellant, by attorney Joanne Elliott of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,545
IMPR.: \$20,455
TOTAL: \$27,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from an administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story multi-family dwelling of stucco exterior construction with 2,168 square feet of living area. The dwelling was constructed in 1910. Features of the property include a full basement and a two-car garage. The property has a 4,940-square foot site and is in Evanston, Evanston Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 1, 2010 for a price of \$270,000. The appellant indicated the subject property had a total assessment of \$53,916, which reflects a market value of \$539,160 when applying Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. Based on

this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value that was timely submitted to be the purchase of the subject property in November 2010 for a price of \$270,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 47 days. In further support of the transaction the appellant submitted a copy of the settlement statement, a copy of the sales contract and a copy of the MLS listing of the subject property. The purchase price is below the market value reflected by the subject's assessment. The board of review did not timely submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
