

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Allan H. & Ann C. Thellefson
DOCKET NO.: 13-00023.001-R-1
PARCEL NO.: 11-17-204-002

The parties of record before the Property Tax Appeal Board are Allan H. & Ann C. Thellefson, the appellants, and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,352
IMPR.: \$97,557
TOTAL: \$163,909

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a part one-story and part two-story single family dwelling of frame and masonry construction with approximately 2,934 square feet of living area. The dwelling was constructed in 1978. Features include an unfinished basement, central air conditioning, one fireplace and an attached two-car garage. The property is located in Libertyville, Libertyville Township, Lake County.

The appellants contend overvaluation as to the subject property for the 2013 tax year as the basis of the appeal. In support of this argument the appellants submitted an appraisal of the subject property with an opinion of the estimated market value of \$465,000 as of January 18, 2013. Based on this evidence, the appellants requested the subject's assessment be reduced to reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$163,909. The board of review asserted the subject property is an owner occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2011 tax year under Docket Number 11-03344.001-R-1. In that appeal the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$171,781.

In a letter from Martin P. Paulson, Clerk of the Lake County Board of Review, it was further explained that Libertyville Township's general assessment period began in 2011 and runs through tax year 2014. It further indicated that in tax year 2012 a township equalization factor of 1.0191 was applied and in tax year 2013 a township equalization factor of 1.0183 was applied in Libertyville Township. The board of review also explained that if the assessment for the 2013 tax year was calculated by applying the 2012 and 2013 equalization factors to the Property Tax Appeal Board's assessment as determined for the 2011 tax year in accordance with section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the subject's assessment would be \$178,274.¹ The board of review asserted the subject's assessment for the 2013 tax year was \$163,909, which is less than required by the application of section 16-185 of the Property Tax Code. The board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not justified.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from

the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.
[Emphasis added.]

35 ILCS 200/16-185. The Board further finds that the subject property was the subject matter of an appeal for the 2011 tax year in which the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$171,781. The record further disclosed the subject property is an owner occupied dwelling and the 2011 and 2013 tax years are in the same general assessment period. The record also disclosed that equalization factors of 1.0191 and 1.0183 were applied in Libertyville Township in 2012 and 2013, respectively. Furthermore, the decision of the Property Tax Appeal Board for the 2011 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in an assessment of \$178,266, which is greater than the 2013 assessment of the subject property of \$163,909. After considering the requirements of section 16-185 of the Property Tax Code, the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
