

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Cryer
DOCKET NO.: 13-00161.001-R-1
PARCEL NO.: 30-07-22-307-009-0000

The parties of record before the Property Tax Appeal Board are Howard Cryer, the appellant; and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,267
IMPR.: \$ 22,816
TOTAL: \$ 31,083

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,452 square feet of living area. The dwelling was constructed in 1959. Features of the home include a full basement, central air conditioning and a 480 square foot garage. The property has a 15,000 square foot site and is located in Joliet, Joliet Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables sold from February 2012 to August 2013 for prices ranging from \$48,000 to \$75,000 or from \$21.82 to \$46.88 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,085. The subject's assessment reflects a market value of \$138,852 or \$95.63 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Will County of 33.19% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables sold from February 2012 to July 2013 for prices ranging from \$109,900 to \$162,000 or from \$77.71 to \$87.66 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sales #2 and #4. These most similar comparables sold for prices ranging from \$75,000 and \$138,000, or from \$46.88 to \$84.80 per square foot of living area, including land. The subject's assessment reflects a market value of \$138,852 or \$95.63 per square foot of living area, land included, which is above the range established by the best comparable sales in this record. Less weight was given the board of review comparable sales due to differences in size, exterior construction and/or foundation. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
