

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Binda & Rahul Singh  
DOCKET NO.: 13-00330.001-R-1  
PARCEL NO.: 12-02-11-314-011-1003

The parties of record before the Property Tax Appeal Board are Binda & Rahul Singh, the appellants; and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,100  
**IMPR.:** \$15,821  
**TOTAL:** \$27,921

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 1,262 square feet of living area. The dwelling was constructed in 2002. Features of the home include a full finished basement, central air conditioning and a 2-car

garage. The property is located in Bolingbrook, DuPage Township, Will County.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing the subject property was purchased on April 9, 2013 for a price of \$84,125. Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,200. The subject's assessment reflects a market value of \$151,250 or \$119.85 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Will County of 33.19% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales.

#### Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April, 2013 for a price of \$84,125. The appellants provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellants completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 19 days. In further support of the transaction the appellants submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The board of review argued the sale was invalid because it was the result of a short sale or foreclosure.

Section 1-23 of the Code defines compulsory sale as:

"Compulsory sale" means (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete. 35 ILCS 200/1-23.

Section 16-183 of the Code provides that the Property Tax Appeal Board is to consider compulsory sales in determining the correct assessment of a property under appeal stating:

Compulsory sales. The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer. 35 ILCS 200/16-183.

Based on these statutes, the Property Tax Appeal Board finds it is appropriate to consider these sales in revising and correcting the subject's assessment.

The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$84,125 as of January 1, 2013. Since market value has been determined the 2013 three year average median level of assessment for Will County of 33.19% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
