

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Sallay, Jr.
DOCKET NO.: 13-00400.001-R-1
PARCEL NO.: 14-12-16-208-008-0000

The parties of record before the Property Tax Appeal Board are Thomas Sallay, Jr., the appellant; and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 19,600
IMPR.: \$ 76,000
TOTAL: \$ 95,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry construction with 2,035 square feet of living area. The dwelling was constructed in 2008. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 2-car garage. The property has a 13,575 square

foot site and is located in Manhattan, Manhattan Township, Will County.

The appellant contends assessment inequity regarding the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables had improvement assessments ranging from \$57,650 to \$73,500 or from \$30.14 to \$37.54 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,600. The subject property has an improvement assessment of \$76,000 or \$37.35 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables. The comparables had improvement assessments ranging from \$71,550 to \$79,000 or from \$36.29 to \$39.14 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 and board of review comparables #1 and #2. These comparables had improvement assessments that ranged from \$30.14 to \$37.46 per square foot of living area. The subject's improvement assessment of \$37.35 per square foot of living area falls within the range established by the best comparables in this record. Less weight was given to comparable #3 submitted by both parties because of their dissimilar foundation/basement, when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the

Docket No: 13-00400.001-R-1

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
