

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph & Dawn Perucca
DOCKET NO.: 13-00617.001-R-1
PARCEL NO.: 15-08-27-102-012-1002

The parties of record before the Property Tax Appeal Board are Joseph & Dawn Perucca, the appellants, by Jerri K. Bush, Attorney at Law, in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,658
IMPR: \$ 36,774
TOTAL: \$ 42,432

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story frame condominium that has 1,064 square feet of living area. The dwelling was constructed in 1988. The dwelling has a basement, central air conditioning and a detached garage. The subject has a 5,490

square foot site. The subject property is located in New Lenox Township, Will County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellants submitted nine suggested comparable sales located from 46 feet to 1.8 miles from the subject. The comparables had varying degrees of similarity when compared to the subject in design, dwelling size, age, and features. The comparables sold from March 2012 to June 2013 for prices ranging from \$70,000 to \$112,000 or from \$65.79 to \$105.26 per square foot of living area including land. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,432. The subject's assessment reflects an estimated market value of \$127,846 or \$120.16 per square foot of living area including land when applying the 2013 three-year average median level of assessment for Will County of 33.19%. In support of the subject's assessment, the board of review submitted four comparable sales located less than one-half of a mile from the subject. The comparables had varying degrees of similarity when compared to the subject in design, dwelling size, age and features. The comparables sold from December 2011 to September 2012 for prices ranging from \$122,500 to \$150,000 or from \$115.13 to \$127.33 per square foot of living area including land.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants failed to meet this burden of proof.

The parties submitted 13 suggested comparable sales. The Board gave less weight to comparables #4, #6 and #7 submitted by the appellants due to their distant location from the subject. The Board gave less weight to comparables #2, #3 and #4 submitted by

the board of review. Comparables #2 and #3 are newer in age than the subject. Comparable #4 sold in 2011, which is dated and a less reliable indicator of market value as of the January 1, 2013 assessment date. The Board finds the remaining seven comparables were relatively similar to the subject in location, age, size, design, most features and sold more proximate in time to the subject's January 1, 2013 assessment date. They sold for prices ranging from \$70,000 to \$135,000 or from \$65.79 to \$126.88 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$127,846 or \$120.16 per square foot of living area including land, which falls within the range established by the most similar comparable sales contained in this record. Based on this analysis, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
