

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rada Colakovic  
DOCKET NO.: 13-00649.001-R-1  
PARCEL NO.: 21-14-13-220-006-0000

The parties of record before the Property Tax Appeal Board are Rada Colakovic, the appellant,<sup>1</sup> and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,650  
**IMPR.:** \$24,500  
**TOTAL:** \$29,150

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part split-level and part one-story dwelling of frame construction with 1,620 square feet of living area. The dwelling was constructed in 1975. Features of the home include a finished lower level of 520 square feet and a 484 square foot detached garage. The property has a .18 of an acre site and is located at 511 Hickok Avenue, University Park, Monee Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .58 of a mile from the subject property. The comparables have varying degrees of similarity when compared to the subject.<sup>2</sup> The dwellings range in size from 1,547 to 1,736 square feet of living area. The

properties sold from April 2012 to April 2013 for prices ranging from \$27,200 to \$39,900 or from \$17.58 to \$25.79 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,150. The subject's assessment reflects a market value of \$87,828 or \$54.21 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Will County of 33.19% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within one mile from the subject property. The comparables have varying degrees of similarity when compared to the subject. The comparables range in size from 1,536 to 1,600 square feet of living area. The properties sold from March 2010 to April 2013 for prices ranging from \$98,000 to \$116,400 or from \$63.02 to \$75.78 per square foot of living area, land included.

Former counsel filed rebuttal arguing, in part, that board of review sale #3 occurred in 2010, whereas the appellant's sales were closer in time to the January 1, 2013 assessment date.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gave little weight to the board of review comparable #3. This comparable sold in March 2010, which is less indicative of fair market value as of the subject's January 1, 2013 assessment date. The Board finds the best evidence of market value to be the appellant's comparable sales along with board of review comparables #1 and #2. These most similar comparables sold from April 2012 to April 2013 for prices ranging from \$27,200 to \$116,400 or from \$17.58 to \$75.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$87,828 or \$54.21 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
