

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Lee  
DOCKET NO.: 13-00915.001-R-1  
PARCEL NO.: 15-12-102-001

The parties of record before the Property Tax Appeal Board are Steven Lee, the appellant, by attorney David Lavin of Robert H. Rosenfeld and Associates, LLC, in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 95,267  
**IMPR.:** \$ 261,862  
**TOTAL:** \$ 357,129

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a detached free-standing two-story frame dwelling that contains 3,533 square feet of living area. The dwelling was built in 2000. Features include a partial finished basement, central air conditioning, a fireplace

and a 954 square foot garage. The subject property has a 42,689 square foot site. The subject property is located in Vernon Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of market value. In support of this argument, the appellant submitted three suggested comparable sales located in close proximity to the subject. One comparable is located in Conway Farms (South) subdivision like the subject. Two comparables are located in the Commons of Conway Farm EXC subdivision. The comparables had varying degrees of similarity when compared to the subject. They sold from December 2012 to March 2013 for prices ranging from \$810,000 to \$922,500 or from \$221.74 to \$288.10 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$357,129 was disclosed. The subject's assessment reflects an estimated market value of \$1,074,395 or \$304.10 per square foot of living area including land when applying Lake County's 2013 three-year average median level of assessment of 33.24%. 86 Ill.Admin.Code §1910.50(c)(1).

With respect to the appellant's evidence, the board of review indicated appellant's comparables #1 and #3 are attached dwellings with smaller lots than the subject.

In support of the subject's assessed value, the board of review submitted four suggested comparable sales located in close proximity to the subject. Each comparable is located in Conway Farms (South) subdivision like the subject. The comparables had varying degrees of similarity when compared to the subject. They sold from August 2011 to April 2012 for prices ranging from \$1,200,000 to \$1,300,000 or from \$297.55 to \$336.47 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86

Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof.

The parties submitted seven suggested comparables sales for the Board's consideration. The Board gave less weight to comparables #1 and #3 submitted by the appellant. These properties are comprised of attached dwellings with smaller lots, unlike the subject. The Board also gave less weight to comparable #2 submitted by the board of review. This comparable sold in 2011, which is dated and less indicative of market value as of the subject's January 1, 2013 assessment date. The Board finds the remaining three comparables are most similar to the subject in location, design, age, size, features and land area. These comparables sold from January 2012 to March 2013 for prices ranging from \$810,000 to \$1,300,000 or from \$221.74 to \$311.38 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$1,074,395 or \$304.10 per square foot of living area including land, which falls within the range established by the comparables. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's assessed valuation is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
