

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beverly Preiser
DOCKET NO.: 13-00932.001-R-1
PARCEL NO.: 16-21-407-012

The parties of record before the Property Tax Appeal Board are Beverly Preiser, the appellant, by attorney Eli R. Johnson of Robert H. Rosenfeld & Associates, LLC, in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 32,849
IMPR.: \$ 39,138
TOTAL: \$ 71,987

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level brick dwelling that contains 1,350 square feet of above grade living area. The dwelling was built in 1967. Features include a finished lower level, central air conditioning and a 440 square foot garage.

The subject property has a 7,300 square foot site. The subject property is located in West Deerfield Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of market value. In support of this argument, the appellant submitted three suggested comparable sales located from .72 of a mile to 1.57 miles from the subject. Only two comparables are located in the same subdivision as the subject. The land sizes of two comparables were not disclosed. The comparables had varying degrees of similarity when compared to the subject. They sold from June 2012 to April 2013 for prices ranging from \$137,000 to \$170,000 or from \$116.50 to \$127.72 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$71,987 was disclosed. The subject's assessment reflects an estimated market value of \$216,567 or \$160.42 per square foot of above grade living area including land when applying Lake County's 2013 three-year average median level of assessment of 33.24%. 86 Ill.Admin.Code §1910.50(c)(1).

In support of the subject's assessed value, the board of review submitted three comparable sales located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject. They sold from December 2011 to July 2013 for prices ranging from \$218,013 to \$277,500 or from \$183.02 to \$216.97 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof.

The parties submitted six suggested comparables sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Comparables #1 and #3 are one-story style dwellings, dissimilar to the subject's tri-level design. Comparable #1 is located in a different subdivision than the subject. Finally, the appellant failed to disclose the land sizes for comparable #2 and #3, which further detracts from the weight of the evidence. The Board finds the comparables submitted by the board of review were most similar to the subject in location, design, age, size, features and land area. These comparables sold from December 2011 to July 2013 for prices ranging from \$218,013 to \$277,500 or from \$183.02 to \$216.97 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$216,567 or \$160.42 per square foot of living area including land, which falls below the range established by the most similar comparable sales contained in this record. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
