

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mimi Brin  
DOCKET NO.: 13-00960.001-R-1  
PARCEL NO.: 16-15-108-006

The parties of record before the Property Tax Appeal Board are Mimi Brin, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,072  
**IMPR.:** \$37,014  
**TOTAL:** \$88,086

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of brick and frame exterior construction with 1,334 square feet of living area. The dwelling was constructed in 1956. Features of the home include a finished lower level, central air conditioning, a fireplace and a two-car detached garage. The property has a 12,350 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$265,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,231. The subject's assessment reflects a market value of \$304,546 or \$228.30 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Lake County of 33.24% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from .23 to .58 of a mile to the subject property. The comparables had varying degrees of similarity and dissimilarities when compared to the subject. The comparables sold from August 2012 to July 2013 for prices ranging from \$311,900 to \$435,000 or from \$233.81 to \$302.71 per square foot of living area including land.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value for the 2013 assessment year to be the appellant's appraisal with an opinion of value as of January 1, 2013 with an estimated market value of \$265,000. The Board gave little weight to the board of review comparables as there were no adjustments made for differences when compared to the subject property. The Board finds the subject property had a market value of \$265,000 as of the assessment date at issue. Since market value has been established the 2013 three year average median level of assessments for Lake County of 33.24% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).
