

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anil Aggerwal
DOCKET NO.: 13-01016.001-R-1
PARCEL NO.: 07-20-101-036

The parties of record before the Property Tax Appeal Board are Anil Aggerwal, the appellant, by attorney Brian S. Maher of Weis, DuBrock, Doody & Maher, in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,723
IMPR.: \$ 0
TOTAL: \$40,723

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant residential golf course lot that contains 20,038 square feet of land area. The subject property is located in Warren Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming assessment inequity as the basis of the appeal. In support of the inequity claim, the appellant submitted an assessment analysis of three comparables located from 2.46 to 4.07 miles from the subject. The lots contain 10,807 or 39,600 square feet of land area and have land assessments of \$8,211 or \$24,685 or \$.62 and \$.76 per square foot of land area, respectively. Based on this evidence, the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final land assessment of \$40,723 or \$2.03 per square foot of land area was disclosed. In support of the subject's assessment, the board of review submitted an analysis of four suggested comparables located in close proximity along the same street and golf course as the subject. The lots contain 20,038 square feet of land area and have land assessments of \$40,723 or \$2.03 per square foot of land area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven land comparables for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant due to their dissimilar size, distant location and the fact they are not golf course lots, like the subject. The Board finds the comparables submitted by the board of review are most similar to the subject. These comparables were comprised of golf course lots that are identical in size and were located in close proximity along the subject's street. They have land assessments of \$40,723 or \$2.03 per square foot of land area, identical to the subject's land assessment of

Docket No: 13-01016.001-R-1

\$40,723 or \$2.03 per square foot of land area. Therefore, no reduction in the subject's land assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
