

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Perry Tate (Tate Properties Trust)  
DOCKET NO.: 13-01178.001-R-1  
PARCEL NO.: 18-05-356-024

The parties of record before the Property Tax Appeal Board are Perry Tate (Tate Properties Trust), the appellant; and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Peoria** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,740  
**IMPR.:** \$34,760  
**TOTAL:** \$39,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Peoria County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story dwelling of frame construction with 2,480 square feet of living area. The dwelling was constructed in 1919. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a detached one-car garage. The

property has a 5,590 square foot site and is located in Peoria, City of Peoria Township, Peoria County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on April 30, 2013 for a price of \$118,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,230. The subject's assessment reflects a market value of \$121,357 or \$48.93 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Peoria County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a letter stating submission of a sales grid. The only information submitted by the board of review was a sheet from the Peoria County Supervisor of Assessments Property Information Site and a copy of the PTAX-203 Illinois Real Estate Transfer Declaration for the subject property.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property on April 30, 2013 for a price of \$118,500. The appellant provided evidence demonstrating the sale did not have the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold by the property owner and had not been advertised on the open market. In further support of the transaction the appellant submitted a copy of the settlement statement and the PTAX-203 Illinois Real Estate Transfer

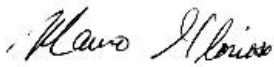

Declaration. The Board finds the board of review did not present any evidence to refute the contention that the purchase price was reflective of market value. Based on this record, the Board finds the subject's estimated market value as reflected by its assessment is not supported and a reduction commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
