

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ayoub Youshael  
DOCKET NO.: 13-01236.001-R-1  
PARCEL NO.: 16-16-308-027

The parties of record before the Property Tax Appeal Board are Ayoub Youshael, the appellant, by attorney David Lavin, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 109,016  
**IMPR.:** \$ 176,368  
**TOTAL:** \$ 285,384

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction with 4,083 square feet of living area. The dwelling was constructed in 1996. Features of the home

include a full, partially finished basement, central air conditioning, a fireplace and an 850 square foot garage. The property has a 12,799 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$635,000 as of January 1, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$285,384. The subject's assessment reflects a market value of \$858,556 or \$210.28 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Lake County of 33.24% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold for prices ranging from \$188.79 to \$311.23 per square foot of living area, including land.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales #1 and #2. These board of review comparable sales sold for prices of \$311.23 and \$216.16, respectively per square foot of living area, including land. The subject's assessment reflects a market value of \$858,556 or \$210.28 per square foot of living area, including land, which is below each of these comparables. The Board finds the appraiser's final opinion of value was not credible based on the adjustments that were not made for date of sale, age, quality of construction and/or other features.

Docket No: 13-01236.001-R-1

Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
