

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brandon Mahinay
DOCKET NO.: 13-01254.001-R-1
PARCEL NO.: 07-35-207-017

The parties of record before the Property Tax Appeal Board are Brandon Mahinay, the appellant, by attorney David Lavin, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 13,196
IMPR.: \$ 51,225
TOTAL: \$ 64,421

Subject only to the State multiplier as applicable.

ANALYSIS

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,083 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement, central air conditioning, a fireplace and a 441

square foot garage. The property has a 8,276 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that sold for prices ranging from \$71.53 to \$82.98 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,421. The subject's assessment reflects a market value of \$193,806 or \$93.04 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Lake County of 33.24% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that sold for prices ranging from \$96.83 to \$103.00 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 and board of review comparable sales #3 and #4 based on date of sale being more proximate to the assessment date in question than the remaining comparables. The best sale comparables in this record had varying degrees of similarity to the subject and sold for prices ranging from \$71.53 to \$103.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$93.04 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
