

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cecil V. & Margaret Johnson
DOCKET NO.: 13-01264.001-R-1
PARCEL NO.: 03-24-101-017

The parties of record before the Property Tax Appeal Board are Cecil V. & Margaret Johnson, the appellants; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,856
IMPR.: \$ 84,332
TOTAL: \$ 95,188

Subject only to the State multiplier as applicable.

ANALYSIS

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with 2,772 square feet of living area. The dwelling was constructed in 1968. Features of the home include a full basement, central air conditioning and a 932 square foot garage. The property is located in Wadsworth, Newport Township, Lake County.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables. The comparables had improvement assessments ranging from \$23.25 to \$27.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,188. The subject property has an improvement assessment of \$84,332 or \$30.42 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The comparables had improvement assessments ranging from \$27.77 to \$31.54 per square foot of living area.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence in this record are comparables #2 and #4 submitted by the appellants and comparables #1, #2 and #4 submitted by the board of review. The board gave less weight to the appellants' comparables #1 and #3 based on dissimilar design when compared to the subject and to board of review comparable #3 based on dissimilar its size. The most similar comparables had improvement assessments that ranged from \$24.52 to \$31.54 per square foot of living area. The subject's improvement assessment of \$30.42 per square foot of living area falls within the range established by the most similar comparables in this record. Based on this record the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
