

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Much  
DOCKET NO.: 13-01317.001-R-1  
PARCEL NO.: 16-28-213-011

The parties of record before the Property Tax Appeal Board are Larry Much, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,062  
**IMPR.:** \$198,291  
**TOTAL:** \$252,353

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,170 square feet of living area. The dwelling was constructed in 2004. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 616 square foot attached three-car garage. The property is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within 0.29 of a mile from the subject property. The comparables are improved with two-story single family dwellings and have varying degrees of similarity when compared to the subject. The dwellings range in size from 2,946 to 3,280 square feet of living area and have improvement assessments ranging from \$173,231 to \$181,208 or from \$53.60 to

\$61.16 per square foot of living area. The appellant requested the total assessment be reduced to \$240,965.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$252,353. The subject property has an improvement assessment of \$198,261 or \$62.55 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within 0.67 of a mile from the subject property. The comparables are improved with two-story single family dwellings and have varying degrees of similarity when compared to the subject. The dwellings range in size from 2,964 to 3,390 square feet of living area and have improvement assessments ranging from \$194,918 to \$205,899 or from \$60.74 to \$66.57 per square foot of living area. The board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. These comparables have varying degrees of similarity when compared to the subject in location, age, dwelling size, design and features. The comparables had improvement assessments that ranged from \$173,231 to \$205,899 or from \$53.60 to \$66.57 per square foot of living area. The subject's improvement assessment of \$198,261 or \$62.55 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
