

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Efrain Rodriguez  
DOCKET NO.: 13-01700.001-R-1  
PARCEL NO.: 03-25-214-022

The parties of record before the Property Tax Appeal Board are Efrain Rodriguez, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 14,181  
**IMPR.:** \$ 57,934  
**TOTAL:** \$ 72,115

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story frame dwelling that contains 3,070 square feet of living area. The dwelling was constructed in 2005. Features include an unfinished basement, central air conditioning, a fireplace and a 450 square foot attached garage. The subject parcel has a 10,015 square foot site. The subject property is located in Newport Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three

comparable sales located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject in land area, design, size, age, and features. The comparables sold from July 2012 to May 2013 for prices ranging from \$155,000 to \$175,000 or from \$50.49 to \$60.76 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,115. The subject's assessment reflects an estimated market value of \$216,953 or \$70.67 per square foot of living area including land when applying the 2013 three-year average median level of assessment for Lake County of 33.24%. In support of the subject's assessment, the board of review submitted four comparable sales located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject in land area, design, size, age, and features. The comparables sold from September 2012 to June 2013 for prices of ranging from \$245,660 to \$270,466 or from \$80.02 to \$95.13 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant failed to meet this burden of proof.

The record contains seven comparable sales for the Board's consideration. The Board gave less weight to comparables #1, #2 and #4 submitted by the board of review. These properties were new/model homes at the time of sale. The Board finds the remaining four comparable sales submitted by the board of review were more similar when compared to the subject in location, land area, condition, design, size, age and features. They sold for prices ranging from \$155,000 to \$250,000 or from \$50.49 to \$87.84 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$216,953 or \$70.67 per square foot of living area including land, which falls within the range established by the most similar comparable sales in this record. Based on this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
