

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arkady Pasman
DOCKET NO.: 13-02145.001-R-1
PARCEL NO.: 15-28-416-004

The parties of record before the Property Tax Appeal Board are Arkady Pasman, the appellant, by attorney Edward C. Abderholden, of Abderholden Law Offices, PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 40,716
IMPR.: \$ 117,617
TOTAL: \$ 158,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story frame dwelling that has 2,800 square feet of living area. The dwelling was constructed in 1991. The dwelling features a finished basement, central air conditioning, a fireplace, and a 441 square foot garage. The subject property has a 9,585 square foot site. The subject property is located in Vernon Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In

support of this argument, the appellant submitted three comparable sales located from .07 to .21 of a mile from the subject. The comparables consist of two-story frame dwellings that were built in 1990 or 1991 and contain 2,600 or 3,166 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold from July to December of 2011 for prices ranging from \$387,000 to \$515,000 or from \$148.85 to \$162.67 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,333. The subject's assessment reflects an estimated market value of \$476,333 or \$170.12 per square foot of living area including land when applying the 2013 three-year average median level of assessment for Lake County of 33.24%. In support of the subject's assessment, the board of review submitted an analysis of four comparable sales and a letter addressing the appeal.

The comparable sales are located from .08 to .27 of a mile from the subject. The comparables consist of two-story frame dwellings that were built from 1990 to 1992 and contain from 2,648 to 3,540 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold from July 2012 to May 2014 for prices ranging from \$443,000 to \$548,750 or from \$148.73 to \$207.23 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. These properties sold in 2011, which are dated and less indicative of market value as of the subject's January 1, 2013 assessment date. Similarly, the Board gave less weight to comparable #4 submitted by the board of review due to its 2014 sale date in relation to the assessment date at issue. The Board also gave less weight to board of review comparable #3 due to its larger dwelling size when compared to the subject. The Board finds the remaining two comparables are more similar when compared to the subject in location, land area, design, dwelling size, age and features. They sold for prices of \$540,000 and \$443,000 or \$169.60 and \$164.99 per square foot of

living area including land, respectively. The subject's assessment reflects an estimated market value of \$476,333 or \$170.12 per square foot of living area including land, which is supported by the most similar comparables on an overall basis but slightly higher on a per square foot basis. After considering adjustments to these comparables for differences to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
