

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mattoon Hospitality Inc.
DOCKET NO.: 13-02260.001-C-1
PARCEL NO.: 06-0-00548-000

The parties of record before the Property Tax Appeal Board are Mattoon Hospitality Inc., the appellant, by attorney Robert W. McQuellon III, in Peoria; and the Coles County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Coles** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 87,500
IMPR.: \$262,500
TOTAL: \$350,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Coles County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 62 unit, limited service hotel located in Lafayette Township, Coles County, Illinois.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In

support of this claim, the appellant submitted three suggested comparables sales. The comparables contain from 68 to 126 units. They sold from February 2011 to April 2014 for prices ranging from \$700,000 to \$1,326,000 or from \$8,281 to \$10,524 per unit.

The appellant also submitted the final decision issued by the Coles County Board of Review disclosing the subject's final assessment of \$438,030. The subject's assessment reflects an estimated market value of \$1,305,993 or \$21,064 per unit when applying Coles County's 2013 three-year average median level of assessment of 33.54%. Based on this evidence, the appellant requested a reduction in the subject's assessed valuation.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002); 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted three comparable sales to demonstrate the subject property's assessment was not reflective of market value. The comparables sold from February 2011 to April 2014 for prices ranging from \$700,000 to \$1,326,000 or from \$8,281 to \$10,524 per unit. The subject's assessment reflects an estimated market value of \$1,305,993 or \$21,064 per unit, which is greater than the comparable sales submitted by the appellant. The board of review did not submit any evidence to support its assessment of the subject property or challenge the valuation evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in

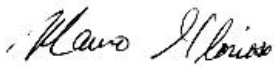

default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property. Based on this record, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's assessment request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
