

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronaldo Coloma
DOCKET NO.: 13-02704.001-R-1
PARCEL NO.: 02-22-357-044

The parties of record before the Property Tax Appeal Board are Ronaldo Coloma, the appellant,¹ and the Kendall County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Kendall County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,801
IMPR.: \$24,774
TOTAL: \$30,575

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kendall County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story condominium of frame and masonry exterior construction with 1,520 square feet of living area. The condominium was constructed in 2006. Features of the unit include central air conditioning and an attached 400 square foot garage. The property is located in Yorkville, Bristol Township, Kendall County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales located within .3 of a mile of the

subject. The comparables consist of two-story frame or frame and masonry dwellings. The comparables range in size from 1,506 to 1,574 square feet of living area. Each comparable has central air conditioning and a two-car garage. The properties sold between January 2012 and March 2013 for prices ranging from \$62,000 to \$80,000 or from \$41.17 to \$51.97 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$24,997 or a market value of approximately \$74,991.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,667. The subject's assessment reflects a market value of \$95,039 or \$62.53 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Kendall County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the subject's subdivision of Autumn Creek Condo. The comparables consist of two-story frame and brick dwellings that contain either 1,370 or 1,520 square feet of living area. Each dwelling has central air conditioning and a 400 square foot garage. The properties sold between March 2012 and December 2013 for prices ranging from \$90,000 to \$95,000 or from \$59.21 to \$69.34 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted 11 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparable #1 as the dwelling differs in size when compared to the subject and the remaining comparable properties in the record.

The Board finds the best evidence of market value to be appellant's comparable sales and board of review comparable sales #2, #3 and #4. These ten most similar comparables sold between January 2012 and December 2013 for prices ranging from \$62,000 to

\$93,000 or from \$41.17 to \$61.18 per square foot of living area, including land. The subject's assessment reflects a market value of \$95,039 or \$62.53 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
