

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rocco Scavo  
DOCKET NO.: 13-02708.001-R-1  
PARCEL NO.: 03-03-376-009

The parties of record before the Property Tax Appeal Board are Rocco Scavo, the appellant, by attorney Jerri K. Bush, Attorney at Law, in Chicago, and the Kendall County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Kendall** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,828  
**IMPR.:** \$27,172  
**TOTAL:** \$35,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Kendall County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and frame exterior construction with 1,602 square feet of living area. The dwelling was constructed in 2005. Features of the home include central air conditioning and a 400 square foot garage. The property has a 2,398 square foot site and is located in Oswego, Oswego Township, Kendall County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. Based on this evidence, the appellant requested a total assessment of \$30,330 which would reflect a market value of approximately \$90,990.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,000. The subject's assessment reflects a market value of \$105,042 or \$65.57 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Kendall County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where board of review comparable #2 was the same property as appellant's comparable sale #6. Based on this evidence, the board of review requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The comparables sold between March 2012 and July 2013 for prices ranging from \$82,009 to \$120,000 or from \$50.16 to \$74.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$105,042 or \$65.57 per square foot of living area, including land, which is within the range established by the similar comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
