

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Makowiecki
DOCKET NO.: 13-03110.001-R-1
PARCEL NO.: 14-05-102-003

The parties of record before the Property Tax Appeal Board are Paul Makowiecki, the appellant, and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,389
IMPR: \$148,836
TOTAL: \$188,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 3,963 square feet of living area. The dwelling was constructed in 1986. Features of the home include an unfinished basement, central air conditioning, three fireplaces and a three-car garage of 852 square feet of building area. The property has a 40,609 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The subject property is an owner occupied residence. In the instant appeal, the appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim, the appellant submitted a grid analysis with four comparable sales. Based on this

evidence, the appellant contends that the assessment of the subject property is excessive. The appellant requested the subject's total assessment be reduced to \$158,878 which would reflect a market value of approximately \$476,634.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$188,225 was disclosed.

In a letter, the board of review asserted the subject property was an owner occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2011 tax year under Docket Number 11-04803.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$194,034. A copy of the decision was attached to the letter. The board of review further explained that the township's general assessment period began in 2011 and runs through tax year 2014. The board of review letter further indicated that in tax year 2012 Ela Township applied an equalization factor of .9769 and in tax year 2013 Ela Township applied an equalization factor of .9930. Therefore, the board of review explained that when the 2011 tax year was calculated by applying the 2012 and the 2013 equalization factors to the Property Tax Appeal Board's assessment as determined for 2011 in accordance with Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the subject's assessment is \$188,225. Therefore, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board in the 2011 tax year under Docket Number 11-04803.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$194,034 based on a stipulation or agreement submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the prior 2011 tax year decision should be carried forward to subsequent years in the general assessment cycle subject only to any equalization factor applied to that year's assessments.

The record further disclosed the subject property is an owner occupied dwelling and the 2011, 2012 and 2013 tax years are in the same general assessment period. The record also disclosed that equalization factors of .9769 and .9930 were applied in Ela Township in 2012 and 2013, respectively.

Furthermore, the decision of the Property Tax Appeal Board for the 2011 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code results in an assessment of \$188,225. In conclusion, the Property Tax Appeal Board finds that no change in the subject's assessment is warranted in light of the Property Tax Code and on the facts presented in this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
