

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald & Amy Miller
DOCKET NO.: 13-03747.001-R-1
PARCEL NO.: 01-21-101-019

The parties of record before the Property Tax Appeal Board are Donald & Amy Miller, the appellants; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,670
IMPR.: \$85,490
TOTAL: \$132,160

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of brick and frame construction with 3,099 square feet of living area. The dwelling was constructed in 1990. Features of the home include a partial basement containing finished area, central air conditioning, a fireplace and a 736 square foot garage. The property has a 40,014 square foot site and is located in Wayne, Wayne Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,160. The subject's assessment reflects a market value of \$396,639 or \$127.99 per square foot of living area, land included, when using the 2013 three

year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales.

The appellant filed rebuttal evidence disputing the condition of the board of review comparables and requesting an average assessment be considered.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sales #1, #3, #4 and #6. Less weight was given the remaining comparable sales because they contained features the subject does not have and/or the sale date was too remote to establish market value as of January 1, 2013. The most similar comparables sold for prices ranging from \$87.88 to \$144.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$127.99 per square foot of living area, land included, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
