

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Laabs
DOCKET NO.: 13-03754.001-R-1
PARCEL NO.: 01-25-114-011

The parties of record before the Property Tax Appeal Board are Peter Laabs, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,960
IMPR.: \$69,660
TOTAL: \$91,620

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,092 square feet of living area. The dwelling was constructed in 1986. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 7,820 square foot site and is located in Carol Stream, Wayne Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,620. The subject's assessment reflects a market value of \$274,970 or \$131.44 per square foot of living area, land included, when using the 2013 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales.

The appellant filed rebuttal evidence commenting on various sales and amenities of the comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #4 and board of review comparable sales #1, #5 and #6. These most similar comparables sold for prices ranging from \$113.96 to \$131.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$131.44 per square foot of living area, including land, which is slightly above the range established by the best comparable sales in this record, however, the Board finds the subject's assessment is supported based on the subject's characteristics when compared to the best sales in this record. The Board gave less weight in its analysis to the remaining sales based on dissimilar features when compare to the subject and/or the date of sale being too remote for a market value analysis as of January 1, 2013. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
