

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Tempel
DOCKET NO.: 13-03943.001-R-1
PARCEL NO.: 08-35-403-044

The parties of record before the Property Tax Appeal Board are Steven Tempel, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,410
IMPR.: \$56,580
TOTAL: \$95,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame construction with 1,802 square feet of living area. The dwelling was constructed in 1984. Features of the home include a partially finished lower lever, central air conditioning, a fireplace and a 2-car garage. The property has an 8,728 square foot site and is located in Woodridge, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$200,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,990. The subject's assessment reflects a market value of \$288,085 or \$159.87 per square foot of living area, land included, when using the 2013 three

year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from June 2012 to July 2013 for prices ranging from \$131.87 to \$186.61 per square of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales #1 and #2 based on location and most features. The Board gave less weight in its analysis to the final opinion of value in the appraisal because no adjustments were made to land size and age for sale comparable #3 and the Board finds it problematic the appraiser did not utilize comparable sales in the immediate vicinity of the subject when they were available. The two most similar board of review comparable sales sold for prices of \$194.94 and \$140.95, respectively, per square foot of living area, including land. The subject's assessment reflects a market value of \$288,085 or \$159.87 per square foot of living area, including land, which is supported by the best comparables in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
