

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Bohmer
DOCKET NO.: 13-03944.001-R-2
PARCEL NO.: 09-12-314-015

The parties of record before the Property Tax Appeal Board are Frank Bohmer, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$109,990
IMPR.: \$256,530
TOTAL: \$366,520

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part three-story dwelling of frame construction with 4,044 square feet of living area. The dwelling was constructed in 2003. Features of the home include a full finished basement, central air conditioning, three fireplaces and a two-car garage. The property has an 11,136 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,100,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$472,040. The subject's assessment reflects a market value of

\$1,416,687 or \$350.32 per square foot of living area, land included, when using the 2013 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three improved sales and two land sales. The improved sales sold from January 2012 to December 2012 for prices ranging from \$398 to \$467, rounded, per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the comparables contained within the appraisal were similar to the subject in most features, in close proximity to the subject and sold close to the assessment date in question. The Board further finds, the appraiser made logical adjustments to the comparables to account for differences between the comparables and the subject. The subject's assessment reflects a market value of \$1,416,687 or \$350.32 per square foot of living area, including land, which is above the appraised value. The Board finds the subject property had a market value of \$1,100,000 as of the assessment date at issue. Since market value has been established the 2013 three year average median level of assessments for DuPage County of 33.32% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
