

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Victoria Carver
DOCKET NO.: 13-03959.001-R-1
PARCEL NO.: 09-16-207-004

The parties of record before the Property Tax Appeal Board are Victoria Carver, the appellant, by attorney Laura Godek, of Laura Moore Godek, PC in McHenry; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,260
IMPR.: \$29,020
TOTAL: \$64,280

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with approximately 1,015 square feet of living area. The dwelling was constructed in 1966. Features of the home include a central air conditioning and a one-car garage. The property has an 11,395 square foot site and is located in Westmont, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$145,000 as of January 1, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,280. The subject's assessment reflects a market value of \$192,917 or approximately \$190.07 per square foot of living area, land included, when using the

2013 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold from August 2011 to February 2013 for prices ranging from \$157.48 to \$218.00 per square foot of living area, including land.

The appellant filed rebuttal argument pointing out various discrepancies in the board of review's comparables when compared to the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #3 based on location, date of sale and most features. Less weight was given the appraisal final opinion of valued because no adjustments were made for age and/or site size. In addition, the Board finds other comparables located within closer proximity to the subject could have been used. Further, the Board gave less weight to board of review comparable #2 because the date of sale was too remote from the assessment date in question. The board of review's most similar comparable sales sold for prices of \$195.05 and \$157.48, respectively, per square foot of living area, including land. The subject's assessment reflects a market value of \$190.07 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
