

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michelle Dupree Norton
DOCKET NO.: 13-03984.001-R-1
PARCEL NO.: 03-20-408-024

The parties of record before the Property Tax Appeal Board are Michelle Dupree Norton, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,720
IMPR.: \$84,760
TOTAL: \$114,480

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 2,767 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has an 8,640 square foot site and is located in Addison, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on two comparable sales and one active listing. Two of the comparables sold in May 2005 and September 1992 for prices of \$327,000 and \$344,700 or for \$137.92 and \$144.17, respectively, per square foot of living area, including land. The active listing had a list price of \$389,500 or \$129.83 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,480. The subject's assessment reflects a market value of

\$343,577 or \$124.17 per square foot of living area, land included, when using the 2013 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables sold in either July or December 2013 for prices ranging from \$400,000 to \$458,000 or from \$131.45 to \$147.89 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales. These most similar comparables sold for prices ranging from \$400,000 to \$458,000 or from \$131.45 to \$147.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$343,577 or \$124.17 per square foot of living area, including land, which is below the range established by the best comparable sales in this record on both a total sales price and on a per-square-foot basis. Little weight was given the appellant's comparables based on the sale dates being too remote from the assessment date in question. The Board also finds the appellant sale listing supports the subject's assessment. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
