

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim Prelaske
DOCKET NO.: 13-03988.001-R-1
PARCEL NO.: 05-30-410-001

The parties of record before the Property Tax Appeal Board are Jim Prelaske, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,680
IMPR.: \$116,940
TOTAL: \$144,620

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame construction with 2,784 square feet of living area. The dwelling was constructed in 1969. Features of the home include a full, partially finished basement, central air conditioning, a fireplace and a two-car garage. The property has a 19,866 square foot site and is located in Wheaton, Milton Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that sold in either June 2012 or October 2012 for prices ranging from \$315,000 to \$343,000 or from \$132.18 to \$140.80 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,620. The subject's assessment reflects a market value of \$434,034 or \$155.90 per square foot of living area, land included, when using the 2013 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales that sold from July 2012 to August 2013 for prices ranging from \$435,160 to \$505,000 or from \$158.59 to \$184.79 per square foot of living area, including land.

The appellant submitted rebuttal evidence disputing the characteristics of the board of review's comparables when compared to the subject and arguing that the sales were raw unadjusted sales. Appellant requested little weight be given the raw sales, however, the appellant also submitted raw unadjusted sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 and board of review comparable sales #2 through #6. Less weight was given the remaining comparables based on dissimilar design and/or age when compared to the subject. The most similar comparables sold for prices ranging from \$132.18 to \$184.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$155.90 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
