

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Todd Molis & Kim Asturrizaga  
DOCKET NO.: 13-04126.001-R-1  
PARCEL NO.: 09-27-409-012

The parties of record before the Property Tax Appeal Board are Todd Molis & Kim Asturrizaga, the appellants, by attorney Katherine Amari O'Dell of Amari & Locallo, in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$42,130  
**IMPR.:** \$43,700  
**TOTAL:** \$85,830

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick and frame exterior construction with 1,300 square feet of living area. The dwelling was constructed in 1976. Features include a full basement that is 25% finished, central air conditioning, one fireplace and a 546 square foot garage. The property is located in Downers Grove Township, DuPage County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board contending assessment inequity as the basis of the appeal. In support of the inequity argument, the appellants submitted limited information on three equity comparables with varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$62,640 to \$67,360 or from \$27.96 to \$28.09 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,830. The subject has an improvement assessment of \$43,700 or \$33.62 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three assessment comparables. The evidence was prepared by Joni Gaddis, Chief Deputy Assessor for Downers Grove Township. The comparables have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$46,650 to \$50,290 or from \$37.19 to \$38.69 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted six suggested assessment comparables for the Board's consideration. The Board gave less weight to the comparables submitted by the appellants due to their larger dwelling size when compared to the subject. The Board finds the comparables submitted by the board of review are more similar when compared to the subject in location, design, age, size and features. These comparables have improvement assessments ranging from \$46,650 to \$50,290 or from \$37.19 to \$38.69 per square foot of living area. The subject has an improvement assessment of \$43,700 or \$33.62 per square foot of living area, which falls below the range established by the most similar comparable properties contained in this record. Based on this analysis, the Property Tax Appeal Board finds the appellants failed to demonstrate the subject property was inequitably assessed by clear and convincing evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
