

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

DOCKET NO.: 13-04669.001-R-1
PARCEL NO.: 17-31-302-120

The parties of record before the Property Tax Appeal Board are Louise Simon, the appellant, by Mendy L. Pozin, Attorney at Law, in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$134,949
IMPR.: \$ 60,592
TOTAL: \$195,541

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner occupied residential property located in Moraine Township, Lake County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board arguing the subject property's assessment was incorrect based on a contention of law. In support of this claim, the appellant's counsel asserted the subject property was an owner occupied residence as of the January 1, 2013 assessment date; the subject property received a reduced assessment from the Property Tax Appeal Board the prior tax year under Docket Number 12-05113.001-R-1; and the general assessment period is from tax year 2011 through 2014. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the appellant requested the subject's assessment be reduced to reflect the Board's 2012 decision and application of the Moraine Township equalization factor of .9804 or an assessment reduction from \$232,982 to \$195,541.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment for the 2013 tax year of \$195,541 was disclosed. The board of review's evidence also disclosed the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under Docket Number 12-05113.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$199,450. The board of review's evidence disclosed the subject property is located in Moraine Township; a .9804 equalization factor was applied to all non-farm parcels in Moraine Township for the 2013 tax year; and tax year 2011 was the beginning of the most recent quadrennial general assessment cycle. The board of review's evidence shows the subject's assessment had been reduced to \$195,541 for the 2013 tax year, which reflects the Board's prior year's decision plus application of Moraine Township equalization factor of .9804. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the board of review requested confirmation of the subject's assessment.

Conclusion of Law

Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence. (5 ILCS 100/10-15)

Both parties agree that section 16-185 of the Property Tax Code was controlling in this appeal. (35 ILCS 200/16-185). The Property Tax Appeal Board finds the subject property was the subject matter of an appeal the prior tax year under Docket Number 12-05113.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$199,450 based on the evidence and an agreement between the parties. The evidence further indicates the subject property is an owner occupied residential property.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

Based on this statutory language, the Board finds that its 2012 decision shall be carried forward to the subsequent assessment year plus application of the equalization factor. The record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. The Board finds the subject's final assessment for the 2013 assessment year, as determined by the board of review, follow the provisions outlined in section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). ($\$199,450 \times .9804 = \$195,541$). This evidence was

not refuted by the appellant. Therefore, the Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
