

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose G. Sifuentes
DOCKET NO.: 13-04854.001-R-1
PARCEL NO.: 06-14-236-021

The parties of record before the Property Tax Appeal Board are Jose G. Sifuentes, the appellant,¹ and the Kane County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Kane County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,164
IMPR.: \$15,027
TOTAL: \$24,191

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2012 decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story building of brick construction with 3,459 square feet of building area with three apartment units. The building was constructed in 1900. Features include a full basement and a 638 square foot garage. The property has a 6,930 square foot site and is located in Elgin, Elgin Township, Kane County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .20 to .85 of a mile from the subject. The comparables were improved with either part one-

story and part two-story or two-story buildings with either 2 or 4 apartment units in each building. The buildings range in size from 2,791 to 4,062 square feet of building area and were built between 1880 and 1910. Each comparable has a full or partial basement and one comparable has a fireplace. Four of the comparables have a garage ranging in size from 400 to 836 square feet of building area. The sales occurred from October 2012 to June 2013 for prices ranging from \$25,500 to \$85,275 or from \$8.99 to \$27.16 per square foot of building area, including land. The analysis included Property Equalization Values (adjustments) to the comparables for sale date, land,² age, square footage, basement size, baths, fireplaces and/or garage. No evidence or explanation pertaining to the calculation of the adjustment amounts was provided. Based on the Property Equalization Values, the analysis conveys a value estimate for the subject property of \$72,580 or a total assessment of \$24,191. At the bottom of the analysis, data sources were listed as Assessor, County, MLS, Realist and Marshall & Swift.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,543. The subject's assessment reflects a market value of \$166,746 or \$48.21 per square foot of building area, land included, when using the 2013 three year average median level of assessment for Kane County of 33.31% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review acknowledged that the property was the subject matter of a decision of the Property Tax Appeal Board the prior year. In light of this, the board of review proposed to stipulate for 2013 based on the prior year's decision, subject to an equalization factor of .9258. Therefore, the board of review proposed a land assessment of \$9,164 and a reduced improvement assessment of \$40,314 for a total assessment of \$49,478 reflecting the prior 2012 Property Tax Appeal Board decision of \$53,443 with an equalization factor of .9258.

The board of review presented no other evidence to support the assessment of the subject property.

The appellant was informed of the proposed assessment reduction and rejected the offer. The appellant requested that the matter be decided upon the evidence of record.

Conclusion of Law

As to the board of review's proposal to carry the subject's 2012 assessment determination by the Property Tax Appeal Board forward to 2013, subject to an equalization factor of .9258, the Board finds that Section 16-185 of the Property Tax Code does not

appear to be applicable to this property. (35 ILCS 200/16-185). There is nothing in the record to indicate that the subject property is an owner-occupied dwelling as required by the referenced provision of the Property Tax Code. Therefore, the Property Tax Appeal Board concludes that Section 16-185 regarding carrying the prior year assessment reduction forward, subject to equalization, does not appear to be applicable based on this record.

For this appeal, the appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted a total of five comparable sales with varying degrees of similarity to the subject property. The appellant's comparables sold between October 2012 and June 2013 for prices ranging from \$25,500 to \$85,275 or from \$8.99 to \$27.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$166,746 or \$48.21 per square foot of building area, including land, which is above the range established by the only comparable sales in this record which were presented by the appellant. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
