

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Land Trust 275 1000 0353
DOCKET NO.: 13-04966.001-R-1
PARCEL NO.: 30-07-09-315-007-0000

The parties of record before the Property Tax Appeal Board are Land Trust 275 1000 0353, the appellant, by Patrick A. Meszaros, of the Law Offices of Patrick A. Meszaros in Joliet, and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

LAND: \$3,488
IMPR.: \$18,962
TOTAL: \$22,450

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2012 tax year decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story single-family dwelling of frame construction with 990 square feet of living area.¹ The dwelling was constructed in 1900. Features of the home include a full unfinished basement and a 180 square foot garage. The property has a 2,614 square foot site and is located in Joliet, Joliet Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from .37 to .77 of a mile from the subject property. The comparables consist of two, 1.5-story and two, two-story frame dwellings that were 86 to 104 years old. The homes range in size from 1,008 to 1,152 square

¹ The appellant reported a dwelling size of 1,151 square feet of living area, but provided no support for the contention. Instead, the appellant provided records from the assessing officials reporting the subject dwelling as having 990 square feet of living area.

feet of living area and feature full or partial unfinished basements. Three of the comparables have central air conditioning and one comparable has a fireplace. Two of the properties also have 400 square foot garages. The properties sold between January 2011 and August 2012 for prices ranging from \$26,500 to \$69,900 or from \$24.27 to \$69.34 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$10,307 which would reflect a market value of approximately \$30,921 or \$31.23 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,450. The subject's assessment reflects a market value of \$67,641 or \$68.32 per square foot of living area, land included, when using the 2013 three year average median level of assessment for Will County of 33.19% as determined by the Illinois Department of Revenue.

In rebuttal the board of review submitted a statement from James A. Brenzewski, Joliet Township Assessor, asserting that the appellant's comparables were all foreclosures and, but for one property, were located in different neighborhoods from the subject.

In support of its contention of the correct assessment the board of review through the township assessor submitted information on four comparable sales located within .5 of a mile of the subject property. The comparables consist of a one-story, two, 1.5-story and a part 1.5-story and part two-story frame or masonry dwellings that were 66 to 131 years old. The homes range in size from 984 to 1,562 square feet of living area and feature full or partial unfinished basements. Three of the comparables have central air conditioning and one comparable has a fireplace. Two of the properties also have 308 and 324 square foot garages. The properties sold between September 2012 and November 2013 for prices ranging from \$100,000 to \$112,000 or from \$67.22 to \$101.63 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparable #4 due to its one-story design as compared to the subject and to board of review comparables #1 and #3 due to their substantially larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales along with board of review comparable sale #2. These five most similar comparables range in size from 1,008 to 1,152 square feet of living area and sold between January 2011 and December 2012 for prices ranging from \$26,500 to \$106,177 or from \$24.27 to \$98.21 per square foot of living area, including land. The subject's assessment reflects a market value of \$67,641 or \$68.32 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
