

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen & Kimberly Deiro  
DOCKET NO.: 13-04976.001-R-1  
PARCEL NO.: 29-06.0-376-008

The parties of record before the Property Tax Appeal Board are Stephen & Kimberly Deiro, the appellants; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,111  
**IMPR.:** \$53,889  
**TOTAL:** \$57,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an owner occupied residential property located in Chatham Township, Sangamon County, Illinois.

The appellants contend the subject's assessment was incorrect based on assessment inequity, comparable sales and a contention of law. The appellants submitted three comparable properties in support of the inequity and overvaluation claims. The appellants' evidence shows the subject property was the matter of an appeal before the Property Tax Appeal Board the prior tax year under docket number 12-02157.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$57,000. Pursuant to section 16-185 of the Property tax Code (35 ILCS 200/16-185), the appellants requested the prior year's assessment, as determined by the Property Tax Appeal Board, be carried forward to the 2013 tax year.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The Property Tax Appeal Board finds the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under docket number 12-02157.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$57,000.

Section 16-185 of the Property Tax Code provides in pertinent part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds that the prior year's decision shall be carried forward to the subsequent tax year subject only to any equalization factor applied to that year's assessment. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The Board finds the record shows the subject property is a residence occupied by the owner. Additionally, the Board finds the record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. Finally, the Board finds there is no evidence in the record that shows an equalization factor was applied in subject's assessment jurisdiction for the 2013 tax year. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
