

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Doerr
DOCKET NO.: 13-04990.001-R-1
PARCEL NO.: 04-23-465-124-000

The parties of record before the Property Tax Appeal Board are Mark Doerr, the appellant; and the Monroe County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Monroe** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,000
IMPR.: \$77,000
TOTAL: \$98,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner occupied residential property located in Monroe County, Illinois.

The appellant contends the subject's assessment was incorrect based on a contention of law. The appellant's appeal petition and evidence shows the subject property was the matter of an appeal before the Property Tax Appeal Board the prior tax year under docket number 12-04422.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$98,000. The appellant's brief indicates the subject property is an owner occupied residence and that the 2012 and 2013 tax years are within the same general assessment period. Based on this argument, the appellant requested the prior year's assessment, as determined by the Property Tax Appeal Board, be carried forward to the 2013 tax year

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the subject's assessment was incorrect based on a contention of law. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence. (5 ILCS 100/10-15).

The Property Tax Appeal Board finds the subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under docket number 12-04422.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$98,000.

Section 16-185 of the Property Tax Code provides in pertinent part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds that the prior year's decision shall be carried forward to the subsequent tax year subject only to any equalization factor applied to that year's assessment. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The Board finds the record shows the subject property is a residence occupied by the owner. Additionally, the Board finds the record contains no evidence indicating the subject property sold in an arm's-length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. Finally, the Board finds there is no evidence in the record that shows an equalization factor was applied in subject's assessment jurisdiction for the 2013 tax year. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
