

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gail O'Hara
DOCKET NO.: 13-20013.001-R-1
PARCEL NO.: 11-19-312-063-0000

The parties of record before the Property Tax Appeal Board are Gail O'Hara, the appellant(s), by attorney Eli R. Johnson, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,149
IMPR.: \$74,035
TOTAL: \$89,184

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,466 square foot parcel of land improved with two improvements. Improvement #1 is a two-story, masonry, single-family dwelling containing 2,498 square feet of living area while improvement # 2 is a two-story, masonry, single-family dwelling containing 819 square feet of living area. The property is located in Evanston Township, Cook County and is classified as a class 2-06 and 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant combined the square footage of both improvements to arrive at a size of 3,317 square feet of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,184. Improvement #1 has an allocated assessment of \$42,533 or \$17.02 per square foot of living area while improvement #2 has an allocated assessment of \$17,876 or \$21.83 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables for each improvement.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity for each improvement to be the board of review's comparables. These comparables had assessments that ranged from \$18.26 to \$20.77 per square foot of living area for improvement #1 and \$23.01 to \$26.87 per square foot of living area for improvement #2. The subject's assessment for improvement #1 of \$17.02 per square foot of living area and \$21.83 per square foot of living area for improvement #2 falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
